Outstanding Progress for All

Parent Information Evening: The New ParentApp, "Understanding your child's progress report and How to support your child with their homework" evening
Thursday 14th March 2019
5.30pm-6.30pm

Dear Parent/Carer

We would like to invite you to attend a parent information evening that will help you to support your child as they work towards their GCSEs. The evening will focus on three areas:

1. The SIMS parent app.

The ParentApp is a convenient way for you to keep up to date with information about your child's college life. The information that you will be able to access from the App includes the school calendar, your child's timetable, daily updates on rewards and consequences, as well as the termly data updates. The app can be accessed from a smart phone, tablet or PC anytime, anywhere.

2. Your child's progress report.

Each term you receive a report that tracks your child's progress towards their target GCSE/BTec grades. This part of the evening is to help you better understand what the report is telling you, so that you are equipped to support your child.

3. Supporting your child with their homework.

Homework teaches students to work independently, develop self-discipline and to use their initiative. The completion of homework is very important for your child to obtain the best results possible. During this part of the evening, you will be given tips as to how you can support your child with their homework.

The evening will take place on Thursday 14th March from 5.30pm to 6.30pm in the LRC at New College Leicester. There will be a presentation and throughout the evening you will have the opportunity to ask questions. If you would like to attend the evening, please complete the attached form below and ask your child to return it to the Student Engagement Office no later than Tuesday 12th March. We very much look forward to seeing you.

Yours sincerely

Mrs C Wilson
Assistant Principal

Mrs E Rudge-Tezcan
Assistant Principal

"The New ParentApp, "Understanding your child's progress report and How to support your child with their homework" evening - Thursday 14th March 2019 - 5.30pm to 6.30pm
