Equality Objective

Our equality objective has been selected based on fulfilling New College Leicester's mission of Outstanding Progress for All.

Objective: To close the gap in attainment and progress between students and all groups of students; especially boys and girls, students eligible for Pupil Premium; students with SEND, Looked After Children and students from different ethnic or cultural groups.

This will be measured on an ongoing basis throughout the year as we collect the progress data for every child. Interventions will be put into place to address any gaps where possible.
