

HOME—SCHOOL PARTNERSHIP

At New College we are very fortunate to have positive and supportive relationships with parents/carers and we are committed to forging an even stronger partnership between home and school to support our students to achieve the standards of personal excellence that is our aim.

As a parent/carer you and your child will receive a copy of the College's Home-School Partnership Agreement, which we believe is the foundation of our positive relationships. We further believe that if all our students are aware of the **shared goals of home and College**, then we can continue to build upon excellent relationships to the benefit of students' learning and attainment.

- We ask you as parents/carers to share the following goals:
- To talk to your child about their learning experience.
- To ensure your children attends College regularly and on time.
- To notify any absence from College immediately and to provide a note on return to College.
- To ensure that your child wears the correct uniform.
- To check and sign your child's Planner each week.
- To ensure that your child brings an appropriate bag with the necessary books, equipment, kit for each day.
- To return all slips from reports, letters promptly.

A copy of the New College Home School Agreement is overleaf.
