LEICESTER CYCLE CIRCUIT

New College Leicester
Learning & Sports Village

We are extremely keen to understand what it is you would like to see in terms of an offer to use The Circuit. We hope to be able to provide bikes and safety equipment and possibly a coach. The key is what you would want a 6 week programme to consist of

- ▲ Cycle Sport Coaching
- ▲ Learn to ride programmes
- ▲ Riding for fun and health

Any thoughts would be appreciated. Please send to Wayne Allsopp wallsopp@newcollege.leicester.sch.uk

We hope to offer some FREE taster sessions in the summer term so schools can come and have a go. If you are interested in using the circuit or a taster session please register your interest with Wayne Allsopp wallsopp@newcollege.leicester.sch.uk
